

# STRONGER FAMILIES, STRONGER COMMUNITIES

## Vote for Healthier Kids and Families

**On Election Day, vote for candidates who will:**

### At the State Level

-  Expand BadgerCare for adults and take advantage of the federal funding that would fully offset the cost of that expansion.
-  Remove administrative barriers to enrolling in BadgerCare and renewing coverage.
-  Expand funding for effective substance abuse screening and treatment programs that address all types of substance abuse/classes of drugs.
-  Establish better measurements of the access to and quality of care provided by Medicaid managed care organizations.

### At the Federal Level

-  Expand the very successful Children's Health Insurance Program (CHIP).
-  Protect Medicaid by opposing efforts to cap spending and turn this essential program into a block grant.
-  Adjust the Affordable Care Act to make health plans more affordable and thereby build on the substantial gains in coverage that have already been achieved.
