

STRONGER FAMILIES, STRONGER COMMUNITIES

Vote to Strengthen Our Workforce

On Election Day, vote for candidates who will:

Increase the minimum wage. People working full time should be able to support themselves and their families.

Help people with limited work skills enter the job market, by expanding the state's transitional job program, which provides public and private employers with a temporary subsidy if they hire individuals with low incomes who meet certain criteria.

Give job-seekers with past involvement in the criminal justice system a chance to be evaluated on their skills and experience by moving questions about criminal history from the application process.

Encourage employers to help Wisconsin workers balance the demands of work and family by providing paid family leave.
